

WOOLWORTHS LIMITED

A.B.N. 88 000 014 675

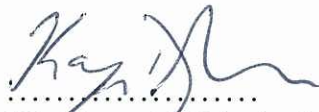

As Australia's leading supermarket business, Woolworths prides itself on a commitment to deliver our customers the freshest produce at the best price and with the highest levels of customer service. We however continually strive to find new ways to improve our offer to the community.

We recognise the changing needs of our customers, particularly in today's busy society. Many shoppers now make more frequent supermarket visits, taking advantage of the freshest and highest quality produce we can offer on a daily basis.

Located in the new Chatswood Transport Interchange, Metro Chatswood Shopping Centre will specifically cater for the convenience retail needs of the Sydney North Shore customers, the significant daily bus and rail commuters, office workforce and the expanding residential population.

Woolworths will be at the very heart of the Metro Chatswood Shopping Centre and has made a long-term commitment to be an integral part of Chatswood.

We look forward to offering both our existing and new customers a high quality supermarket that compliments the modern, convenient and safe environment that Metro Chatswood will provide to the significant number of daily shoppers.
